

Project Outputs

Register page

The register page features a dark blue background. On the left, a green rounded rectangle contains the word "JOIN" in large white letters, followed by the text "Create your unique CSMP identity for secure, end-to-end encrypted messaging." At the bottom of this rectangle are three small buttons: "Secure" with a shield icon, "Fast" with a lightning bolt icon, and "Encrypted" with a key icon. On the right, a dark blue rounded rectangle contains the heading "Create Identity" and the text "Join the CSMP secure network." Below this is a form for "New Client ID" with a placeholder "Unique username (e.g. adi_01)". A green "Create Account" button is positioned below the form. At the bottom, a link "Already have an identity? Sign In" is displayed in green text.

JOIN

Create your unique CSMP identity for secure, end-to-end encrypted messaging.

Secure Fast Encrypted

Create Identity

Join the CSMP secure network.

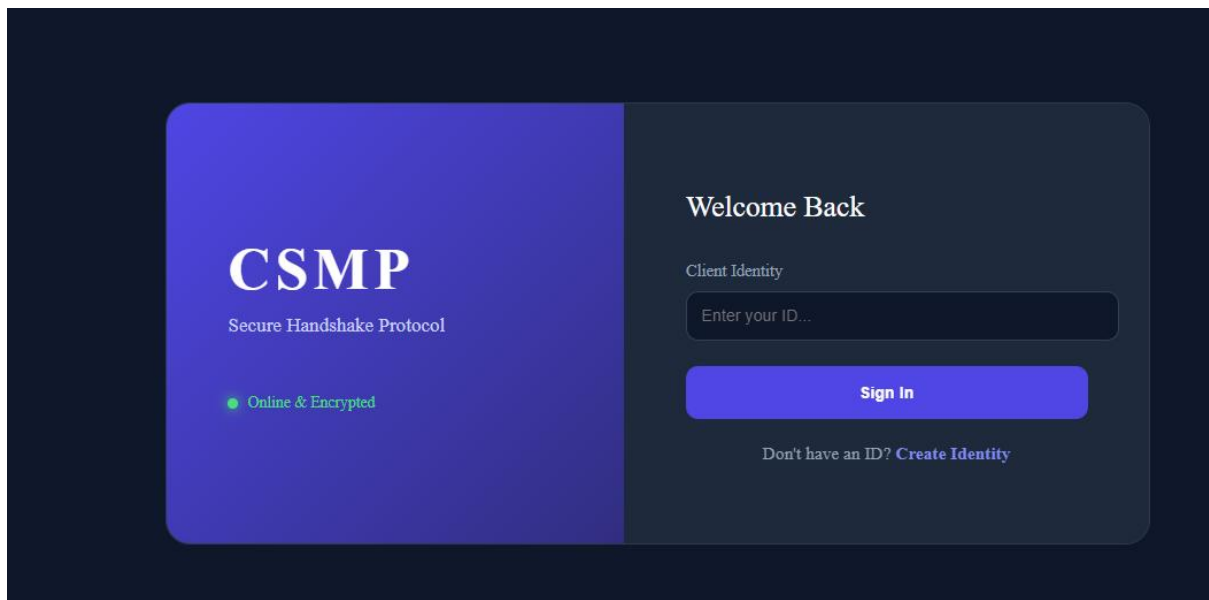

New Client ID

Unique username (e.g. adi_01)

Create Account

Already have an identity? [Sign In](#)

Login Page

The login page features a dark blue background. On the left, a blue rounded rectangle contains the text "CSMP" in large white letters, followed by "Secure Handshake Protocol". Below this is a status indicator "Online & Encrypted" with a green dot. On the right, a dark blue rounded rectangle contains the heading "Welcome Back" and the text "Client Identity". Below this is a form with a placeholder "Enter your ID...". A blue "Sign In" button is positioned below the form. At the bottom, a link "Don't have an ID? Create Identity" is displayed in blue text.
